Application

Which kind of material?

- Mild Steel Aluminium
 Stainl. Steel Brass
 Copper Others

Surface coated:

.....

What is the mould of the work piece?

- Circular Square
 Sheet Others

What are the dimensions of the work piece?

H/W: Ø:

Thickness: Bore:

Requirements for the hole?

- With collar Without collar (flat)
 For thread forming
 For thread cutting
 Through boring

Requirements for the thread?

- Metric Size:
 Metric fine Size:
 Pipe thread Size:
 UNC BSP UNF NPT
 Others: Size:

Machine Parameters

What machine do you use for the drilling operation?

- Standard Drilling Machine
 CNC – Centre
 None

Motor Capacity: kW

max. RPM: U/min.

- Manual Feed
 Automatic Feed
 Variable Feed (CNC)
 Right/Left motion
 Tapping Head (auto reversing)

Others

Approximately number of drills a year?

..... Holes/year
